

Neonatal Care and Delivery Seminar

Led by Dr. Cheryl DeWitt

Saturday, March 10th

8:00 am to 5:00 pm

American Legion Hall Madison, CT

Yes, it is back by popular demand!!! This is an absolute must for all new breeders and a great refresher for experienced ones. There is no better way to learn how to handle birthing emergencies than with the hands-on practice you receive at this seminar.

Seats are limited because we want to ensure that everyone gets enough attention during the labs. We are limiting the class size to 20, and offering two lab sessions with 10 persons each. An informative Q&A discussion will be offered while not attending the hands-on lab.

Cost: \$175 per person (includes light breakfast & lunch)

Make check payable to New England Alpacas. Complete form below and return with your payment on or before February 15, 2012 to:

Melissa Ferrara, New England Alpacas 14 Bethke Rd., Killingworth, CT 06419
